COUNCILMEMBER DJOU: DUMP AT CAMPBELL INDUSTRIAL PARK IS ILLEGAL

There are significant legal issues with the Campbell Industrial Park site that some members of the Honolulu City Council are examining for use as Oahu's next municipal dump. Councilmember Charles K. Djou (Waikiki, East Honolulu) stated, "A review of the site's deed clearly shows that a dump at this Campbell Industrial Park location is illegal. The covenant and restrictions placed on the property states, '[N]o refuse dump, sanitary fills or incinerators and no uses releasing odor, dust, smoke or other pollutants from the [p]roperty will be permitted'. See Land Court Document No. 2766064, Sec. 6.03(e) dated December 21, 2001.

"No community wants a landfill, but the council must make a responsible decision on where to locate our next dump. The people have seen enough of a circus over the past few days on the landfill site selection. The council needs to follow the recommendations of the blue ribbon panel and select one of the sites recommended by the panel," added Djou.

Tomorrow, the Honolulu City Council must select a new landfill site.
